THOS. MOSER

May 4, 2012

Dear Friend,

For the past 40 years, our success has been due in large part to our customers. We'd like to thank you wholeheartedly for supporting our passion for handcrafting furniture here in Maine and for being a loyal customer and welcome presence in our Washington, DC showroom.

We have enjoyed our present location at 3300 M Street in Washington, DC for nearly ten years, and we are very grateful for all the customers who have supported us during this time. However, as our lease nears its expiration, we have made the difficult decision to close our Washington, DC Showroom on **Saturday, June 9, 2012**, which will be our final day of business in this location.

Please know we remain committed to the Washington DC and suburban Virginia and Maryland markets and hope to find a suitable new location. In the interim, our shop remains vibrant and rest assured that current and future orders and scheduled deliveries will not be impacted by this change. We will continue to actively support our customers through our Customer Care Center in Freeport, Maine.

Prior to closing, we are making floor samples and other inventory available for purchase through the showroom at reduced prices. Our intention is to sell all remaining inventory prior to our closing on June 9th, so we invite you to stop by the showroom as soon as possible.

Thank you again for your continued support and we hope to provide continued personal service to you in the future. If you would like to know more about our pieces or have any other questions, please contact the showroom at **202-338-4292** or via email at **dcshowroom@thosmoser.com**.

Sincerely,

Thos. Moser
