Designed by Fahmida Lam, the Fahmida Chair incorporates the joinery, craftsmanship and experience of Thos. Moser with Ms. Lam's progressive aesthetic. Leveraging the strength and beauty of hand-finished American hardwoods such as cherry and walnut, the chair cuts a fresh, airy profile that naturally complements any thoughtful and clean aesthetic. With its contrasting upholstered seat and back, this chair lives comfortably within the traditional Moser offering, while embracing the distinctive perspective of one of the industry's brightest new talents.
