american bungalow nightstand with three drawers

AC-NS3 · 26 "H x 21 "W x 20 "D

By a bed or lounge chair, the architectural details of this table draw the eye and lend distinctive style to a room. Cantilevered corner lap joints securely join the frame, terminating gracefully. The repetition of horizontal lines echoes both the spanning roof lines of American prairie houses and the ancient forms of Japan. Reverse-tapered legs add grace while also providing strength. Carefully matched grain patterns turn each tabletop into a unique canvas.
