### pasadena cascade coffee table

PCT · 17" H x 39" W x 39" D (glass top 33" diameter)

As our first glass-top tables, they speak as much to art as to function. Hours of hand sculpting go into perfecting these commodious little tables, which perch lightly wherever you need them. A rolled lip with a waterfall edge adds a modern, geomorphic twist to a seemingly simple silhouette. The collection includes a coffee table and an end table offered in two heights.
