edo cantilever side table

AC-CST · 20"H x 18"W x 23"D

This accommodating little table came about simultaneously with our new Edo Rocking Chair. All the hallmarks of Edo are captured in an exquisite package: solid cherry construction, cantilevered suspension, and a reverse-tapered base. The table stands 20", just the right height to comfortably store items within arm's reach while sitting in any of our Edo living pieces. Used either as an accent piece or alone, this table will show its quality and character, aging gracefully with years of steady use.
