american bungalow double square extension table

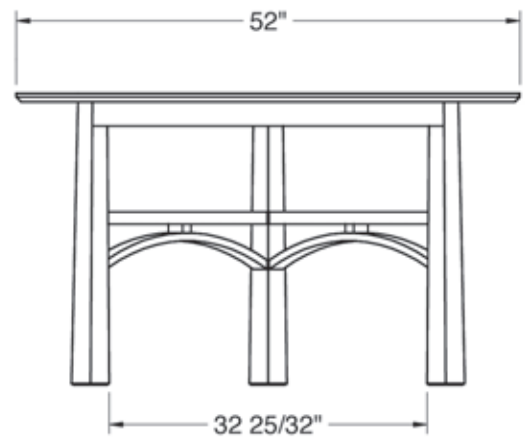

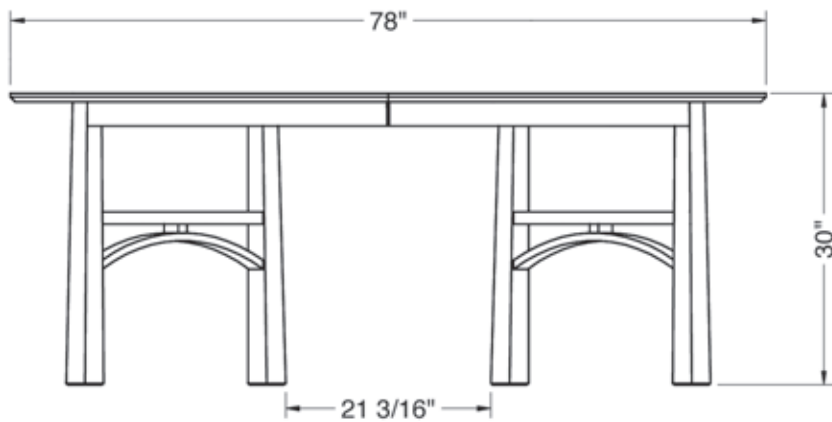

AC-2PTS · 30"H x 52"W x 78-122"L

Reverse tapers and the divided spaces found in Japanese pagodas influence the lines of our American Bungalow dining tables. The combination of these elements and richly grained cherry results in dining tables sure to be the centerpiece of any home. We've added this new double-pedestal version to our standard line after many requests to build it as a custom table.
