### two drawer lateral file

F1-0001 · 30"H x 31"W x 20"D

With the drawers closed, this piece could easily be mistaken for a small dresser. Constructed in solid cherry with our traditional cabinetmaking joints, including a dovetailed top and sliding top molding to allow for seasonal expansion and contraction. Internally, we have designed the Two Drawer Lateral File Cabinet to offer maximum flexibility in file storage (either horizontally or front to back). Ideal for the home or a well-appointed office.
