EASTWARD STOOL

ES25 • 38"H (25"H seat) X 19"W X 21"D

ES27 • 41"H (27"H seat) X 19"W X 21"D

ES31 • 44"H (31"H seat) X 20"W X 22"D

Derived from George Nakashima's synthesis of Japanese and American aesthetics, the Eastward Stool adapts well to modern or traditional kitchens. Hand-sculpted for comfort, the faceted hardwood seat and crest will burnish to a rich color. The northern ash legs are joined to the seat with wedged through-tenons for exceptional strength.
