RECTANGULAR • OTD-REC • 26"H X 17"W X 24"D

Inspired by our widely loved Table Minimus, our Companion Table offers a similar design in a slightly larger size with a concealed front drawer. Each table can be made in four shapes and a variety of wood species making them uniquely versatile to suit any room. Reminiscent of Shaker styles, these simple tables all share a tapered leg structure integrated with a supporting skirt.
